

Table of contents

Tittle	Page Number
1.Introduction	1
2. Description of components	2
2.1 bazzzer	2
2.2 battery	2
2.3 motor	2
2.4 LED	3
2.5 resistors	3
2.6 transistors	4
2.7 IR sensor module	4
2.8 switch	4
2.9 battery cap	5
2.10 regulator	5
2.11 belt wire	5
-Working principle	6
3. Material required/estimating & costing	6
-Advantages of accident prevention road safety module	7
-Disadvantages of accident prevention road safety module	7
-Advantages of speed breaker power generation	7
-Disadvantages of speed breaker power generation	7
